

# Adult Learning at Kings Heath Primary Academy

At Kings Heath Primary Academy we work in partnership with Northamptonshire Adult Learning service to offer a variety of courses including Parenting courses, Family Language, Career Planning, Story sacks, Math and English.

They are designed to give parents/carers the opportunity to find out how things are taught in their child's school, as well as a chance to develop their own skills which will support their child's learning.

The benefits of attending one of our many adult learning courses include:

- Promoting family relationships, raising attainment and achievement
- An opportunity to work towards recognised qualifications
  - Develop own confidence, self-esteem and well-being
  - Develop employability skills
- Make new friendships with other parents and carers

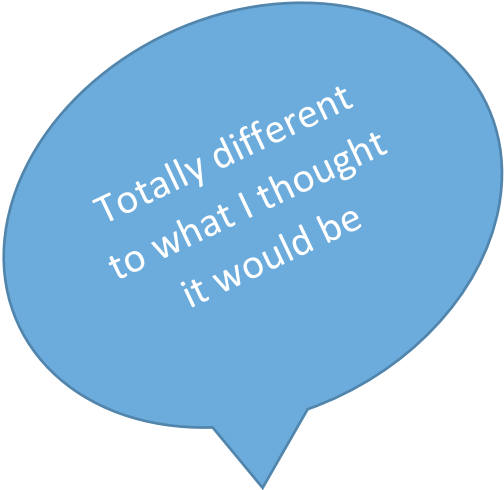

At Kings Heath Primary Academy we support our parents/carers through offering an environment suitable for learning as well as a small crèche with a qualified member of staff.

On completion of a course we celebrate the parents/carers success by inviting them to attend our whole school celebration assembly.

**What our Parents/Carers say:**

Looking forward  
to learning new  
skills

Totally different  
to what I thought  
it would be

It's a good idea and  
it's bringing in new  
people which is what  
we wanted
