

At Home

Our topic this term is seasons and weather. Please talk to your child about the different types of weather there are and about the four seasons. Encourage them to repeat key words as this will help develop their language.

Tapestry:

Please upload pictures on Tapestry, places you have visited during the Christmas holidays. This will enable us to talk more about the many adventures you have been on.

If you are having any issues with Tapestry or need a quick guide then please feel free to ask..

Class DOJO:

Look on Class Dojo for more things going on in class. If you haven't joined up yet - type in your code and follow our class online. If you need a new invite to join just ask the class teacher for a new sheet

Thank you for all your support in during the Autumn terms.

All of the Nursery staff look forward to Spring term 1.

Spring 1

2018/2019

Story of the term: The 3 little dinosaurs

This term the children will be learning the story "The 3 little dinosaurs". They will be learning the story board for this and talking part in activities based around the story.

Maths

The children will be learning the numbers 1-5 and begin to count in sequence

They will continue to learn colours by having a colour of the week.

The children will begin to learn simple shapes

Weather

Children will be learning and exploring different types of weather and what types of clothes we need to wear for them.

Seasons

We will be learning all about the different seasons.

Physical Development

The children are going to practice putting on their own coats.

Develop their fine motor skills and pen control.

Core texts

Together we will also be reading :

The dinosaur who lost his roar.
That's not my.....
