

At Home

Here are some great books you could read with your children linked to our class authors.

Cressida Cowell

- How to Train Your Dragon: The Day of the Dreader
- The Wizards of Once
- How to Twist a Dragon's Tail

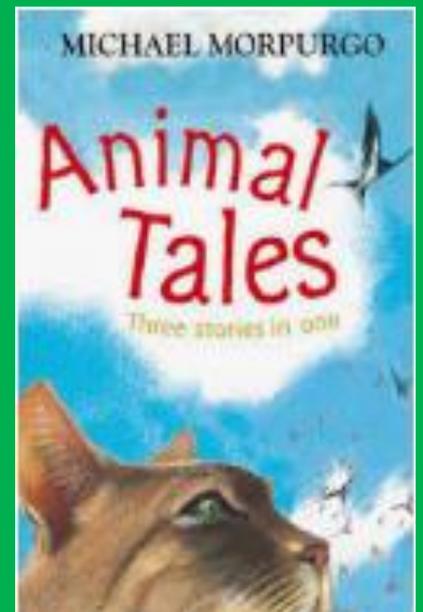

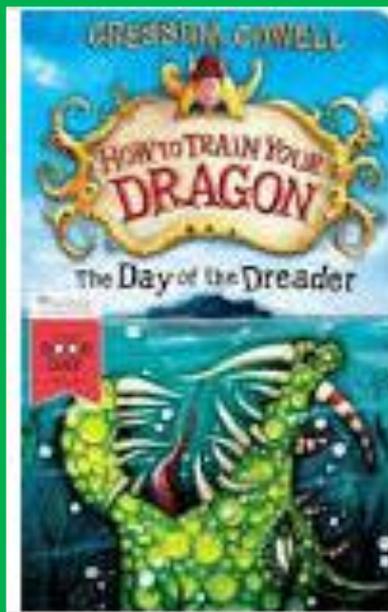

Michael Morpurgo

- Animal Tales
- Kensuke's Kingdom
- The Last Wolf

Homework

- Practise your times tables and division facts.
- Learn basic addition and subtraction facts.
- Read your story book or RWI book every day.
- Talk about your learning at home – be proud of what you have achieved.
- Practise cursive writing and remember to use capital letters and full stops.

Curriculum Newsletter

3 Cowell

'Spring 2 2019'

3 Morpurgo

English

The children will be learning about non-fiction encyclopedia entries and explanation texts. They will complete a range of writing including: newspaper, persuasive letters and reports.

Spring 1 has been successful because the children are taking responsibility for their learning. We hope this continues throughout this term.

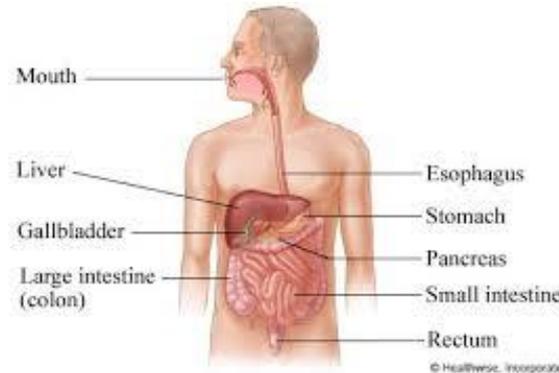

Effective Maths

Children will build on their knowledge gained in term 3, and will learn about statistics, place value, addition, subtraction, multiplication and division. Please continue to support your child with basic number sense. Can they add and subtract mentally? Do they know multiplication facts?

Core Knowledge Curriculum

The children will continue to explore Ancient Greece, learning about Alexander the Great, and Greek Myths.

In Science they will be investigating the Human Body. They will learn what constitutes a healthy diet, cells, teeth and the digestive system.

PE in Year 3 is on a Thursday and Friday. Please ensure that kit is in school everyday.

Jigsaw

The children will be exploring the term 'Healthy Me', with a focus on keeping ourselves healthy. They will discuss their understanding and attitude to drugs. They will learn how to stay safe in the home.
