

KINGS HEATH PRIMARY ACADEMY

*Broadening Horizons*

Monday, 01 June 2015

Dear Parents,

### **School Uniform**

At Kings Heath Primary Academy we are incredibly proud of our school. Pupils arrive promptly, attendance is consistently above the National Average, and visitors are made to feel welcomed by everyone.

Another way of demonstrating how proud we are of KHPA is through following the uniform rules. Unfortunately uniform standards have slipped recently and when I carry out learning walks around the school I am noticing more of the following:

- Shoes other than black being worn.
- Bright coloured tights being worn.
- Hoodies being worn.
- PE Kit is either missing or not the standard uniform colours.

It is imperative every child follows the school uniform policy and I wanted to share my message with all parents so you can support your child/children in meeting the uniform expectations. I will also be speaking to all of the children during our weekly whole school assembly and reminding them of the clear uniform expectations.

In order to resolve this issue we will be asking children, who do not have the correct footwear, to change into a pair black plimsolls from school stock (they will be able to wear their shoes for break and lunchtime). This will happen every day until the child wears the correct footwear. School jumpers will be loaned to children who are not wearing the correct items. In addition, if pupils persist in ignoring school uniform rules then parents will be called and asked to bring in the correct uniform.

I have attached examples of children wearing correct school uniform so that you can see what is expected.

Thank you in anticipation of your support with this matter.

Yours sincerely,

Mrs K Duff  
Interim Headteacher
